

BackAid (Blister) Drug Facts

Drug Facts

Active ingredients (in each caplet)	Purpose
Acetaminophen, 500 mg	Analgesic (pain reliever)
Pamabrom, 25 mg	Diuretic

Uses For the temporary relief of: ■ minor aches, pains and related discomforts due to muscle strain, spasms or overexertion including those affecting the back, legs and joints. ■ pressure-caused discomforts due to periodic excess water retention.

Warnings

Liver warning: This product contains acetaminophen. Severe liver damage may occur if you take ■ more than 6 caplets in 24 hours, which is the maximum daily amount ■ with other drugs containing acetaminophen ■ 3 or more alcoholic drinks every day while using this product.

Allergy Alert: acetaminophen may cause severe skin reactions. Symptoms may include: ■ skin reddening ■ blisters ■ rash. If a skin reaction occurs, stop use and seek medical help right away.

Do not use ■ with any other drug containing acetaminophen (prescription or non-prescription). If you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist. ■ for more than 10 days for pain unless directed by a doctor ■ for more than 3 days for fever unless directed by a doctor

Ask a doctor before use if you have liver disease.

Ask a doctor or pharmacist before use if you are taking the blood thinning drug warfarin.

Stop use and ask a doctor if ■ symptoms do not improve ■ new symptoms occur ■ pain or fever persists or gets worse

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a poison control center right away. Prompt medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms.

Directions ■ Read all package directions and warnings before use. Use only as directed. ■ Adults: Two (2) caplets with a full glass of water every 6 hours while symptoms persist, not to exceed 3 doses (6 caplets) in 24 hours, or as directed by a doctor. ■ Do not exceed recommended dosage. ■ For use by normally healthy adults only. ■ Persons under 18 years of age should use only as directed by a doctor.
